New Business:

- Don Wicksel gave a presentation pertaining a non-HOG ride on June 3rd for the Veterans Collation.
- Roger has made all of the perpetrations for the HOG Party, the current count is 25.
- There is an incentive through HOG to take a rider safety course however there is a fee for the course which is an out of pocket expense.
- Please review the HOG handbook as some items have changed.
- HOG membership patches are now available.
- If you are taking "Gummies" treat them like guns in order to keep them safely out of reach of children, there is a noticeable increase of accidental intake noted.
- HOG requires all dues to be paid by December 31st.
- There was discussion about the need for members to start thinking about new rides.

- Canada ride – we need to know if the ferry is operational before we make any new plans. If you plan on attending ensure you have the correct documentation, enhanced NYS Drivers Lic or the new Real ID which you can get for 12 bucks.
- HOG ride update, all trikes will now ride in the rear of the pack and one of those could get a free woodchuck. Wood chucks don't zig zag like squirrels they just go for it.
- The new Free wheeler now has a Road Glide Faring.
