Corrections: None

Old Business: None

New Business:

- Michael T's was good but the parking was limited, you have to get there early to get good parking, or wait for someone to leave. We try to schedule the event early to ensure there is adequate parking. Bruce won 15 bucks on the lottery tickets he got in one of the auction items. Floyd got busted for not bringing food home. The bar was set up nicely. Thanks again Roger. Albany's party had 15 members and 50 guests.
- Nothing to pass from Mr. Motta.
- There is a new Bagger race in Daytona.
- There is a big event which is a ride to Milwaukee for the 120th anniversary of Harley Davidson.
- Ray Norse from the Syracuse HOG Chapter contacted our Director and would like to set up a two Chapter ride, the only stipulation is that the ride can't be held on a

rally weekend. They only schedule a few rides per year, North, South, East and West. Pepper's in Canandaigua may be a good break the ice ride with them.

- Prices for HOG Chapter sweatshirts is 55 buck and will take 3-4 weeks to arrive however there is a 24 item order minimum, this is something to think about. We are throwing this out there to test the waters for a possible sweat shirt order.
- Don indicated that Frenchy said Hi and will be here in April. Don also found a book "Weird Places in NY" and indicated there are some cool places that may be good for rides.
- Next month we will begin to go over ride ideas and start to put a schedule together. Possibilities are Pepper's, Heritage Hill Brewery, Slinger's in Albany.
